I can listen to the teacher and other people. I am a good reader. I like reading stories and I am above for my age. In my story writing I leave spaces between my words and write my own story. I am trying to write more and to add more description to my stories. I like writing about what I do. I am learning my blends. I have to try hard to do my printing and my goal is to write it quickly and on the line.</p>
Mathematics <ul style="list-style-type: none"> • Number • Other strands 	<p>In maths I am working on advanced counting. I like doing maths on the computer. I like playing games. I am getting better at writing numbers because I do it every day.</p>
Integrated Topic <ul style="list-style-type: none"> • Learning and Thinking Skills • Understanding • Communication and Information Technology • Education for Sustainability 	<p>I help in my group. We are the waste busters and Hannah is a good leader. We came first in our action project, and second in the knowledge of the native area, and for our book. I like learning both in and out of the classroom like in the bush and we learn lots of things. I like using the computer to learn and I am proud of my work.</p>
Key Competencies <ul style="list-style-type: none"> • Managing self • Relating to others • Participating and Contributing 	<p>I look after myself. I can look after other people. I like playing rugby and soccer. I am good at rugby and I play with my friends. I like doing my learning on the computer.</p>
Health and Physical Education	<p>I like doing fitness every morning because it gets us ready for school. I trained hard for cross country and athletics. I can float on my back and swim too. I like swimming.</p>
The Arts	<p>I like pottery and singing. I liked the concert. I liked being a humming fish and dancing with Cole.</p>
Personal Interest and Contribution to School life	<p>I like school it is cool. I have fun with the kids. I know about my learning, I have to practise my reading so you get better and better. I help people if they are hurt. I always use my manners because then I will have friends.</p>

Teacher Comments:

Logan enjoys school and he tries hard with very good results. He is making good progress in all areas of the curriculum especially reading. He is conscientious and can concentrate and problem solve. He is "above" for reading and "at" for all other areas of literacy and numeracy according to the National Standards. When something is not going his way, he needs to verbalise, it rather than keep it to himself. He is well supported from home. It has been a pleasure to teach Logan this year and see him progress. Have a great Christmas and keep up the basic facts and skip counting in holidays. Thanks for a great year Logan !
